

WNYNAPNAP Member Authors Book

Maureen Dann, PNP, IBCLC at Tonawanda/Island Pediatrics has published a book titled "Lactation Management: Techniques, Tips, and Tools for the Health Care Provider."

This clinical reference provides the user with:

- An easy-to-read format for quick access to needed information
- Rationale and references for all recommended management strategies
- Parent handouts describing usual treatment plans for common lactation problems, including space to individualize each plan (Tips for the Mother)
- Illustrated parent handouts explaining special lactation techniques and logs to track progress (Tools for the Mother)
- Simplified documentation of your patient encounters when you refer to the included parent handouts.

Maureen will make the book available to any WNYNAP/NAP member at a 20% discount. You may get this \$42.95 book for \$35.00 (plus \$7.95 shipping & handling). Simply download the order form at www.lactationmanagement.com, and mail a check or money order for \$42.95 (\$35.00, plus S & H) to the address below:
